Tuition reimbursement is contingent upon availability of state funds. All individuals who are required to register with the Selective Service must do so to be eligible for state-supported scholarships and programs for financial assistance for post-secondary education. Students must file the FAFSA according to reported dates and guidelines during their senior year of high school in order to be eligible for A+ funding at the post-secondary institution. Funding is not the responsibility of St. John Vianney High School.

Students must sign up for the A+ Schools Program no later than October 1 of their senior year.
Please return this form to Mr. Matreci in the Leadership Center.
